Alabama Election Handbook (18th Edition)

The Alabama Law Institute (ALI), in collaboration with the Secretary of State's Office, is pleased to offer the latest edition of the *Alabama Election Handbook*, a comprehensive reference resource which explains how the electoral process in Alabama works, and what the duties of Alabama election officials are in that process. As with past editions, the *Handbook* covers a variety of topics, ranging from candidate requirements and election preparations to voter registration, absentee voting, and campaign finance requirements. Building on previous versions, the 18th Edition of the *Handbook* includes several new features that will be of interest to readers. These include:

1. A chart of offices up for election in the next three election cycles (Chapter 1)
2. A section on special issues for judicial candidates featuring a table of campaign-related Judicial Inquiry Commission advisory opinions (Chapter 4)
3. Updated content on the rules for restoring voting rights to felony offenders (Chapter 6)
4. A chart of Ethics Commission advisory opinions addressing campaign finance issues (Chapter 19)
5. A new appendix cataloguing the election-related legal authorities that have been issued since publication of the last edition of the *Handbook*.

The *Handbook* is available online on the ALI website. You may also order a copy of this new and updated edition by filling out the form below and returning it to ALI at your earliest convenience.
